

TO OUR BROTHERS IN LEATHER AND DENIM,

Right now, imagine a private campground in the Haliburton Highlands, fresh air, sitting on a dock under sunny blue skies or gathered around the campfire with a billion stars in the night sky, cocktails, BBQ, Cabin 4, Studio 54 and a half, more cocktails, and of course a fun and exciting weekend with the Spearhead brothers and their guests. That's right guys... its Spearhead Run time!

In 2010, Spearhead celebrates 40 continuous years of contribution and participation in Toronto's Leather & Denim Community. And to celebrate those 40 years, this year's Run is 'Special'. We are pleased to announce that the theme for the 2010 Leather-Denim Pride Run is 'The Return to OZ - This Ain't Kansas Anymore!' So whether you think Wizard, whether you think Wicked, or whether you think of a certain hot and raunchy prison television drama series - break out your leathers and break out your denim- it's going to be a hot weekend! And yes, it will return - we are proud to announce once again, the return of the infamous 'Spearhead Saturday Night Run Show' produced by Michael Albano and Kevin Levesque (aka Miss Conception!)

To our returning brothers and affiliated club members, the membership of Spearhead very much looks forward to being with you again as we celebrate together this extraordinary moment in our history. And for those of you who have always considered attending a Spearhead Run but haven't yet, why not let this be the year you do so? We promise you an exciting weekend with lots of great possibilities for play, fun and Leather- Denim Fellowship! Space will be limited so be sure to get your application in early and we'll see you on 'The Run'!

In Leather,
Kevin Romain
